## CSI Training School

Time to go back to school... your team will have to undergo basic training at our camp.

Our instructors will put you through your paces and you and your team will undertake a series of tasks and challenges.

From entering a Murder scene to shooting on the range there will be lots to keep the teams busy throughout the course of the event.

Learn new skills from tagging and bagging to lifting finger prints as well as going on reconnaissance.

The finale will see the teams go head to head in a race to build circuits on our specialist equipment.

This event can be run within the grounds of a hotel or out and about at any location of your choice.

Call 01590 681981 for more details and let us build that special event for you.

# Be-Spoke Team Events

This is where we take your idea, whatever it is and turn it into your event.

Seen a movie watched a tv show or read a good book and thought what a fun event that would make, tell us and we will turn it into just that.

**A few examples of Films, TV shows and books we have already done are;**

- CSI
- The Da Vinci Code
- 24
- Crystal Maze
- Lost
- Strictly Come Dancing
- Great British Bakeoff
- James Bond
- Bear Grylls
- Lego Build

Call our team on 01590 681981 and discuss your ideas with one of our team.

Working with you we will conceive, plan, build and deliver an event that is specific to you and your team's requirements.  
Here are a few examples of what we do for you...

#### **Multi Activity Day**

Why not try your hand at a range of activities from Honda Pilots, Power Turns to some of the team challenges. Each group would get to spend up to half an hour at each zone. This is a great full or half day experience. On the full day lunch is served on site.

Off Road Buggies, Blind 4x4,  
Reverse Steer, Max Carts,  
Quads & Power Turns

#### **Team/Head to Head Exercises**

The emphasis is on fun. All exercises are mentally stimulating and highlight the importance of planning, communication and organisational skills. These exercises can be run in the grounds of your Hotel or at one of our sites within the forest.

#### **Boot Camp**

Are you up to it? You will be met at the training camp by our instructors and put through your paces. Your day will begin with roll call and refreshments. Once you have been briefed you will be split into teams and head out on your basic training.

#### **Special Opps**

You will be given special training in weapons and tactics. Part of your aim is to manage your ammunition supplies. More success equals more ammo! Your team will be required to crack codes and memorise secret intelligence which will be required during the final game which will culminate with defusing a bomb. If all goes to plan your team exits the building victorious, however should you fail there will be a loud bang!

#### **Cockleshell Heroes**

A fun packed day on the river. You and your team will take part in a secret mission to ensure the safety of the nation! Your journey will take you in canoes, kayaks and rafts to various points up the historic Beaulieu River, culminating in a daring escape from Bucklers Hard.

### **24-Time is Ticking**

The clock is ticking; your team must work together to solve problems, crack codes and de-fuse the ticking time bomb.

The team is split into two groups "Operatives & Field Agents" The Operatives have to crack codes and then send their agents out and about to retrieve the information needed to complete the final challenge.

This can be a Land or Water Based event and can be run throughout the country.

### **Shooting Range**

Laser Gunners are spot on target with the "NEW" laser tag firing range target systems, electro-mechanical pop-up and moving targets. Targets react as if hit by live rounds – No expensive ammunition costs - Mobile and static range systems. Give your Team the "new skill thrill" with our military type laser range systems.

### **Search & Rescue**

There is no such thing as a typical day on the water with us but to give an example of what can be expected read on...

Your lifeboat experience will start at 10.00 with a meet and greet at the Marina. Where we will take you through the basic skills you will need to successfully complete the Search and Rescue mission including Navigation and SAR Techniques. We will also explain the key 'roles' on-board a lifeboat, 'roles' that the group will be called upon to fill!

### **Raft Building**

Are you ready to get wet? Your team is tasked with the job of building a sea going raft with only the equipment provided. Once launched the fun begins with a series of water based challenges and races.

Stand up, Sit Down, Change Places, Jump up to name but a few!

### **The Knowledge**

This event will have you racing around the streets of London in your Black Cab. The event starts from the front door of the hotel and takes you to all the best locations the city has to offer, on route you will have to find the answers to the questions and return with all the items on your shopping list, this is a great fun event that doubles up as a site seeing tour.

What better way to see the City while working together and having fun.

### The Heist

The teams will be told that they will have put together a plan for a heist, during the course of the day the team will have to scope out venues and plan escape routes.

At different times the teams will have to meet up with the criminals and convince them that their plans are legit and if they do a good job they will start to earn the trust of the criminals, in return the criminals will hand over some of the broken down jewels for the teams to fence.

At the end of the event the team that has gained the most jewels will win the day and partake in the final bust.

### Team F1

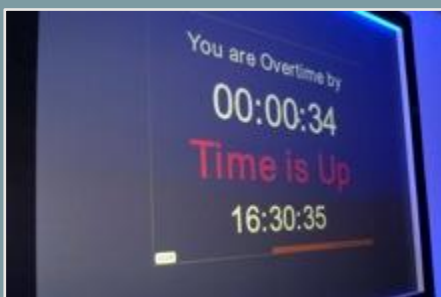

#### **Some say it is the greatest show on earth...**

Your team has been given the brief to start up their own F1 team; you will be responsible for coming up with a team name, team logo and sponsorship deals.

On top of all that you will have to set up, design and build their own racetrack.

### Dash for Cash

The event can be run over any period of time, full half day or even as slots to energise during a conference meeting.

Teams will be required to undertake all different kinds of challenges, each challenge has a monetary value and the team that makes the most money wins the day.

### Team Apprentice

Sir Alec enters the Scene to the theme of the apprentice and gives the opening brief and sets the first challenge... This is where your challenge begins, during the course of the event you will have to take part in The Dash for Cash, The Auction, The Campaign and The Presentation.

### School Sports Day

What could be better than going back to school for a fun filled sports day with all the classic races and a few not so classic! The Group will be split into teams and the races will be run in heats with the top two team from each heat going through to the final, during the course of the day the teams will all get to race against each other in the different challenges.

### The Lost Chimes of Da Vinci

In 1897 whilst working on an excavation in Venice, I came across a tomb that was filled with many mysterious items; however, the greatest of these was a pile of wooden artifacts and a set of what appeared to be chimes. The artifacts so captivated me that I smuggled them out of the country and brought them back to my ancestral home. At first I was unsure exactly what these were and meant, however, after three and a half years of painstaking research I concluded that these must be the Lost Chimes of Da Vinci. Using Only Lord Wagsworth's journals to unravel the mystery are you and your team up for the challenge in this race against time?

### Generation Game

You have seen the TV show now take part in our very own version of the Generation Game.

Why not mix and match the event or leave it up to us to put together a great mix of challenges.

### Strictly...Go Dancing

This is an event that can be adapted to suit your full requirements and times.

From a half day event with a dance off to a full day of training followed by the evening dance off over dinner the choice is yours.

You will be met on the day by our professional dance troupe who will guide you through the art of dancing without falling over! They will take their time and teach you a series of moves that will surely impress.

### Murder Mystery

Whether your event is in a manor house or hotel you are cordially invited by the host, Lord Grantuss to join the celebrations at Thymely Manor. Which of your fellow guests has murder in mind? Is the delectable Hon. Holly Berry as prickly as she seems? Is the Reverend Cownter taking more than holy orders and still bent on taking up that missionary position? Is the faithful housekeeper, Mrs. Fissure, all she is cracked up to be since she found solace in the church and became a passionate member of the congregation? Archie Bauls, your host, is on hand to guide your investigation to a successful conclusion with the help of local copper, PC Whirled.

### **Balloon Crew**

Learn how to inflate a hot air balloon and then compete in teams in a race against the clock. Under expert guidance, the teams have to cold inflate the hot air balloon from start to finish against the clock. Do you have enough Hot Air?

### **Dude Day**

Whether you are experienced at horse riding or have never been on a horse before, we can offer you the chance to experience the beauty of the New Forest on horseback.

### **Race Against Time**

From the moment the day starts it is non-stop action all the way. The number of zones depicts the number of teams. In each zone there is an instructor who will put you and your team through its paces with a multitude of challenges whether they are mental, physical, skill or mystery games. The team must gain as many points and bonus bags of stones as possible along the way.

### **The Ultimate Test**

The day starts early with a meeting at a pre-arranged location where your team will be loaded into the back of our top of the range Land Rover Defenders and then whisked away to a private airport. On arriving at the airport the teams will be taken into the briefing room where the day ahead will be set out over breakfast. The teams will be told that they have to crack the codes and find our secret training camp situated somewhere on the South Coast! All they have is the use of maps, charts and cryptic clues. When the teams have discovered the location of the training camp they will then board their private jet for the journey there.

### **Splash & Dash**

The Splay and Dash team building day begins with coffee, and then it's into your wetsuits and out into the water. A day of thrills, fun and challenges ranging from water skis to wake boarding - a great event for team building.

### **Off Road Driving**

Full instruction on a purpose-built 4 x 4 cross-country course designed to test the skills of vehicle and the driver. Test your skills and nerve while driving our Land Rovers through tough terrain. See how far you can push yourself!

### **Walking Treasure Hunt**

After being split into treasure hunting teams of 4/6 people, the treasure hunting group will be given their 'team pack', consisting of directions, cryptic clues, instant cameras, fun team tasks and refreshments. The teams will head out on foot following a trail around a quiet and beautiful village.

### **Mountain Bike Treasure Hunt**

After being transported to a forest location, each team member will be provided with his or her own mountain bike and safety helmet. Within teams of approximately 5/6 members, the group will be given their 'team pack', consisting of directions to follow, cryptic clues and fun team tasks.

### **City Slickers**

Stuck for something to do when holding your conference in London? Why not try your hand at our City Slickers Treasure Hunt? Each team member will be given a travel card for use on the local public transport along with their team packs which include light refreshments, instant cameras and the all-important question sheet. What better way to explore the city and have fun?

### **It's a Knockout**

You have seen the show now try your hand at the best Knockout in the land! All the games are fast furious and wet and fun for all. Teams compete in head to head races throughout the session with the playing of the joker a vital part if you wish to come out on top.

Working with you we will conceive, plan, build and deliver a sailing event that is specific to you and your team's requirements.  
Here is an example of our standard sailing day...

### Sailing Days

All of our **Yachts** are state of the art, fine-tuned racing boats, which are great fun yet easy to learn for the novice when under the experienced guidance of our fully qualified Skippers.

- 9.30am: Meet Skippers for Safety Briefing followed by issuing of buoyancy aids and waterproof clothing
- 10.00am: The flotilla will head towards the Solent. Everyone on board the boats will be involved in steering, sail handling and the general working of all boats.
- 11.00am: Morning races begin
- 12.30pm: Lunch on board the yachts
- 1.30pm: Resumption of Sailing
- 5.30pm: Head back to Ocean Village

### Rib Treasure Hunt

Racing across the sea in a top of the range "Rib" will take your breath away. The exhilaration of taking the helm at high speed with the wind in your hair is a unique, adrenaline fuelled experience. The event includes a treasure hunt around the Solent. The teams will have to find the locations and then head ashore to complete the challenges locations range from Lymington and Southampton on the main land to Cowes and Yarmouth on the Isle of Wight.

### The Ultimate Solent Treasure Hunt

Racing across the sea on board a top of the range "Sunseeker" will take your breath away. The exhilaration of taking to the helm at high speed with the wind in your hair is a unique, adrenaline fuelled experience. During the course of the day the teams will have to find locations and buoys using maps and charts of the area. The day takes you from Southampton and Lymington on the main land to Cowes and Yarmouth on the Isle of Wight to name but a few.

### Land & Sea Search

In this action packed day the teams will have to race around the Solent onboard top of the range Ribs and then map their way to different locations in and around The New Forest using their Land Rover 110 Defender.

Why not try your hand at some target sports, great fun as stand-alone in the grounds of a hotel or as part of a multi activity day...

### **Archery**

Our Olympic style traditional English longbows are fun and easy to pull. To start with, the archery targets are close enough to hit easily, but as your skill improves, the archery targets are moved to distance shooting. Aerial and other targets are also available for those who would like to try.

### **Clay Pigeon Shooting**

Experienced instructors will set up different shooting positions using the elusive clay pigeon to simulate different birds. Breaking the clays is extremely satisfying!

### **Laser Clay Shooting**

An ideal activity where Clay Pigeon Shooting is not possible. 5 Guns are active simultaneously; recording each individual's score by means of laser beam. The event can be run in the hotel grounds.

### **Crossbow Shooting**

These weapons pack a punch, with the pull of the target you can feel the power as the bolt leaves the crossbow and heads for the target, great fun that will leave you wanting more...

### **Air Rifles & Pistols**

Single shot riffles and pistols are great fun, with targets ranging from paper, metal disks to the metal crow that everyone likes to hit, got your eye in try your eight round hand gun...

Working with you we can build a fun filled evening event from stand up games to a fully themed event.

Here are a few examples of what we can do for you...

---

#### **Gameshow Mania**

A chance for Game show fanatics and couch potato's to fulfill their greatest dreams and take part in a multitude of well-known game shows. Family Fortunes, Play your cards right, Bullseye and many more. Pit individual and team skills against each other in a night of non-stop fun and action.

#### **Evening Team Challenges**

Over the duration of dinner, each table is set a series of team challenges. These have to be completed to earn each course. Failure to do so could mean you go hungry. The evening starts in the bar where the teams are given their first team challenges. On entering the dinning room each team will be asked to stand and Pick their Nose! Not as easy as it sounds! On completion the team challenge, the first course will be served. More team challenges will continue throughout the evening to the finale on the stage to close the event.

#### **Casino Night**

Whether themed in one of our party formats or not (Wild West, Caribbean Party Boat, Monte Carlo or James Bond), this unique event format incorporates non-stop entertainment and interactivity for your group. Guests will find it both challenging and fun to compete individually or in a team format against our croupiers under the tight control of a casino manager. Four Seasons have a reputation for organising something out of the ordinary when it comes to a casino night and this is done by combining traditional and alternative. Prices

#### **Batakjockeys**

Batakjockeys is a new interactive horse racing game, the likes of which has never been seen before. Each race can have up to six players (Jockeys). Each jockey is assigned a horse (Each horse has its own character), and a Batakjockeys game pad. The pad consists of four large buttons that light up in a continuous, rapid and random sequence throughout.

Working with our top chef your team will get the chance to learn new skills as they prepare everything they need for the perfect party...

### Wine Tasting

From the Champagne tasting to a wine tasting quiz, our tastings are innovative and fun, pitched at a level that ensures everyone learns something new, whatever their wine knowledge. We turn wine education into first class entertainment so that your guests leave with confidence to tackle the wine list at the next company dinner! For a fun 1-2 hour tasting session with quiz challenges we've put together a simple **Corporate Wine Tasting Package**. If you're looking for a walkabout format where guests can mingle we can host a **Network Tasting**. If you have other corporate hospitality objectives not covered by our existing formats, please ask and we will do our very best to accommodate you.

### Fondant Chocolate Making

Each team will spend time designing and making their own chocolates. For ten minutes before they start, groups will be given pens and paper to design the chocolates. Once that is agreed, the real work with the melted chocolate begins. Each team will create and decorate a selection of chocolates. They will have to make and decorate a range of chocolates such as an assortment of fudge, coconut kisses, chocolate caramels and Florentines. As time is called, everyone will down tools and the chefs will judge each team. During the drinks reception, the winning teams will be announced.

### Flipping Burgers

This is not just any cooking event; this is an event that you will learn from and be able to impress all your friends with your new skills during the long hot summer!

Working with our chef the group will be split into teams and have to put together a smorgasbord of culinary delights, you will make the marinades, the sauces, the dips, the salads and even the burgers!

### Canapé Making

Learn the art of canapé making and make your guests the envy of all their friends next time they host a party with canapés! Our first class chef's will give guests a full demonstration on how canapés are made and how to create the perfect mouth watering bites. The group is split into teams and the challenge is set to see which of the teams can produce and present the finest canapés. The canapés can be served prior to dinner.

In this document, the following expressions have the following meanings: the Company means Four Seasons Event Management Ltd, any other Company which is part of Four Seasons Event Management Ltd. The Client means the person or company who accepts a written quotation from the Company for contracted services.

The Company shall use all reasonable Endeavour's to supply the best possible service using its resources and facilities to the best possible effect within any agreed time or budget.

Every effort will be made to obtain firm quotations or reasonable estimates from suppliers. All such estimates are issued by way of an invitation to treat and the Company reserves the right to vary or withdraw any estimate with out prior notice.

The Company shall charge such costs, charges and expenses as may be agreed in order to complete the contract. Unless otherwise stated, all such charges are exclusive of VAT.

The Company reserves the right to make additional charges as a result of:

- i) Changes and additions ordered by the Client after the acceptance of the company estimate, proposal and schedule.
- ii) Increases in the costs of materials, equipment or other services necessary for the completion of the contract. Any such charges will be advised to the client either in writing or such other form as appropriate and agreed between the parties.

Payment shall be made in accordance with the Company's prescribed terms. On confirmation and acceptance of the Company's estimates, the Company will issue a payment schedule linked to deposits/balances that the company will be required to make to appointed suppliers. Deposits/balances required under the above schedule shall be payable on the due date notwithstanding the Company's normal payment terms. The Company cannot guarantee performance of the contract should payment not be received on the specified due date. Payment is defined as "cleared funds". The Company reserves the right to charge interest on sums overdue on a day-to-day basis from date such payment was due to the date of actual payment (both days inclusive) at a rate of 2% above the base rate of NatWest Bank Plc. From time in force compounded quarterly. Such interest shall be paid on demand.

In the event of cancellation by the Client, the Client shall pay a cancellation charge to take account of the chargeable value of time and expenses incurred including any cancellation charges levied by third party suppliers. Once a booking is confirmed with the Company, the Company is under no obligation to the client to supply the agreed services. If for any reason the Client cancels a booking or reduces the number of participants, the Client will be liable to forfeit any deposit and pay a cancellation fee. Cancellation schedule: 12-24 weeks notice = 45% .of total contracted cost 6-12 weeks notice = 60%. Of total contracted cost 4-6 weeks notice = 75% of total contracted cost. Less than 4 weeks = 100% of total contracted cost. If the Client changes the original date to another date, a charge will be levied to cover the cost of administration and any loss of profits incurred by the Company.

Proposals may contain confidential information provided by the Client. The Company agrees not to convey such information to any third party. Similarly, the Company's proposal may contain concepts, notions and designs specifically prepared for the Client. The Client undertakes not to disclose or use contents or parts thereof except with the prior written approval of the Company.

Costing are based on the stated number of participants. Should actual numbers fall below this number, the Company reserves the right to make supplementary charges in respect of any fixed cost elements within the confirmed programme.

Rates of exchange used for costing purposes in proposals will be clearly detailed. Exchange rates used for the purpose of final invoicing/reconciliation will be those at which payments were made to appointed suppliers and therefore subject to fluctuation.

All airfares used or quoted in the proposals are current and subject to increase at time of booking.

The Company is perpetually looking to enhance the service that it offers. The Company is committed to ethical business. The Company strives continually to build long-term business relationships with its clients.

**Any contract resulting from a proposal submitted by the Company will incorporate these terms and conditions to the exclusion of any terms and conditions of the Client and be governed by English law and subject to the exclusive jurisdiction of the English courts.**

The Company shall not be liable for its failure to fulfill any of its contractual obligations if such is caused by reasons beyond its control.

The Company reserves the right to refuse participation on any programme if participants are believed to be by the instructing staff, under the influence of alcohol or drugs, and that their participation may be harmful to themselves or others on the programme.

Except in respect of injury to or death of any person caused by the negligence of the Company (for which no limit applies) the Company shall not be liable to the Client or any third party for loss of profits or contracts or any indirect or consequential loss arising from negligence breach of contract or howsoever. Any other liability of the Company in respect of each occurrence or series of connected occurrences shall not exceed £100,000.

The Company provides instructing staff and it is the responsibility of the Client to ensure that participants listen to and respond to instruction. Any participant who, require clarification or help should ask the instructing staff who will be happy to oblige.

Many of the activities provided by the Company are physically strenuous. The Client undertakes to ensure all participants are healthy and capable of undertaking the activities and the Company cannot be responsible for illness or injury due to the health of the participant. If you are unsure contact your doctor for advice. The Company offer insurance and advise that it be secured or the Client and their participants organise alternative cover.
